25 February 2016

Dear Parent/Guardian(s)

Epraise Online Rewards System – Login Information for Parents

Epraise is our new online rewards system designed to motivate students by recognising the great things they do. Students are awarded reward points on a daily basis by all staff at King Richard School for demonstrating the school's core values (Excellence, Learning, and Leadership).

Students can then redeem their points in the school online shop for prizes of their choice. These prizes include basic stationery, subject specific equipment (calculators, paint sets), items of uniform, sports equipment (table tennis bats, tennis balls, footballs), cinema tickets, prom tickets, lunch with the Executive Principal and a computer tablet.

Your child has recently received a new login and password and we are now able to offer parental access to their epraise account. This will allow you to:

- See how your child/children are doing including attendance data and reward points received
- Receive notifications when they reach milestones
- See what achievements & accolades they've received
- Find out what rewards are on offer
- See an overview of how your child/children's house team is doing
- See your child/children's lesson timetable

For you to access the epraise system please visit the link below:

<https://app.epraise.co.uk/index.php?school=kingrichardcyprus&login=parents>

Select 'Parents' add your email address and click register/login and you will then receive an email from epraise which will contain a link for you to follow. You will then have access to your child's epraise homepage.

If no children can be found in the 'My Children' section or the email address you entered is not recognised, it is probably due to your email address being different to the one on school file. In this case please contact the school to update your email address.

Yours sincerely

Mr Chris Thomas

Associate Leader of Learning
