

Dear Parent/Carer,

Our SMSC & SRE Programme at KRS

At KRS we believe that promoting the health and well-being of our pupils is an important part of their overall education. We do this through our Social, Moral, Spiritual and Cultural (SMSC) lessons. This looks at many topics including all kinds of relationships, physical / emotional health and living in the wider world. The aim of the SMSC course is to help our pupils make safe and informed decisions during their school years and beyond.

Sex and Relationship Education (SRE) is an important part of our SMSC course. We will be teaching lessons about SRE in the term which will include topics such as (puberty; relationships and communication skills; pregnancy; contraceptives; prevention of HIV/AIDS and other sexually transmitted diseases; prevention of sexual abuse; FGM; body image; sexting and social media; pornography; consent.) During the course, pupils will be able to ask questions, which will be answered factually and, in an age, appropriate manner. Each pupil's privacy will be respected, and no one will be asked to reveal personal information.

Some parts of SRE are compulsory - these are part of the National Curriculum for Science. Parents can withdraw their children from all other parts of SRE if they wish to do so. However, we believe that the presentation of sexual images in social and other media make it important that all young people have a place to discuss pressures, check facts and dispel myths. Even if a child is withdrawn, many pupils will discuss such issues with each other outside the classroom – so, rather than hear about the content second-hand, we hope all children will have the opportunity to take part in our carefully planned lessons.

Many parents and parent-related organisations support good quality SRE in school. Parents are the most important educators of young people in personal issues and many welcome the support that school can offer to supplement their home teaching.

You may find that your child starts asking questions about the topic at home, or you might want to take the opportunity to talk to your child about issues before the work is covered in school. If you have any queries about the content of the programme or resources used, please do not hesitate in contacting me at school. All materials used will be available for you to access should you so wish.

Yours sincerely,
Miss Derbyshire

Sex and Relationships Education – Frequently Asked Questions

What are the aims of SRE in our school?

Depending on the age of the children and the lessons in their particular year group, we want SRE to:

- *Develop the confidence to talk, listen and think about their feelings and relationships*
- *Develop friendship/relationship skills*
- *Develop positive attitudes, values and self esteem*
- *Provide knowledge and understanding about puberty and the changes that will take place*
- *Provide knowledge and understanding about reproduction and sexuality*
- *Address concerns and correct misunderstanding that children may have gained from the media and peers*
- *Develop skills to help children protect themselves against unwanted sexual experience*
- *Know where and how to seek help*

Can you explain the school's SRE Morals and Values Framework?

SRE follows the school's agreed aims, values and moral framework which is sensitive to the needs and beliefs of pupils, parents / carers and other members of the school community. SRE will be delivered within the school's agreed equal opportunities framework.

SRE will support the importance of marriage or stable relationships, for family life and bringing up children. Care is taken to ensure there is no stigmatisation of children based on their different home circumstances.

Pupils will be encouraged to understand that thinking about morals and values also includes:

- *Respect for self and others*
- *Commitment, trust and love within relationships*
- *Understanding diversity regarding religion, culture and sexual orientation*
- *Honesty with self and others*
- *Self-awareness*
- *Exploration of rights, duties and responsibilities*
